

By supporting events like this one, you will help further the NWTF's mission of conserving the wild turkey and preserving our hunting heritage.

Through dynamic partnerships with state, federal and provincial wildlife agencies, the NWTF and its more than 350,000 members have helped restore wild turkey populations across the country, spending more than \$331 million and conserving 15.9 million acres of habitat for all types of wildlife.

The Federation works to increase interest in the outdoors by bringing new hunters and conservationists into the fold through outdoor educational events and its outreach programs – Women in the Outdoors, Wheelin' Sportsmen, JAKES and Xtreme JAKES.
